In conversation with the family, it has also been agreed that we will host a special Memorial service at St Gabriel's in place of one of our regular evening services. This will be held at 6.30pm on Sun 22 May. All are welcome to attend.

A huge thank you to our eco-champion Tuong-Vi and the eco-team for all the hard work and preparation that went into last Sunday's special Earth Day themed service and the L.O.A.F. bring and share lunch. A special mention to all who entered the vegan off including Shelley for her winning mushroom wellington.

This time it will be during the day hosted by Hope Café. **Please sign up** for the course and send the link to friends you think might be interested. We will have all the usual features of the Café available on the day including the toddler play area and free tea and coffee so do consider it if you are around. **1-2.30pm on Mondays 9,16,23 May**

Saturday 4 June St Gabriel's Jubilee-themed Open Day

We are excited to announce our next open day will have a Jubilee theme! As part of the bank holiday weekend celebrations we will be opening up our doors on the Saturday afternoon and inviting people to come and join us from 2 till 5pm for tea, cake and hopefully sunshine, with a variety of performances throughout the afternoon as well as televised content on the big screen, as well as activities and fun for children and families. You can share [this link](#) with your friends if you would like to promote the event but we will also need a large number of teams to help us. If you think you might be able to give some time on the afternoon to help with serving drinks or children's activities, please can you [fill out this form](#) (or sign up in church) and let us know. Thanks!

Prayer Points

Do pray during the week for all our events at St Gabriel's, sharing the love in Cricklewood. Here are some additional topics for prayer:

- Thank God for St Gabriel's Eco group. Pray for them and those working on eco projects in the grounds, as they encourage us and the wider community to think and act for the good of the Earth, to care for the beautiful world God made.
- Thank God for Hope Café and pray for its ministry in this local community. 
- Pray for Yulia's Refuge on the Ukraine border, for funds to reach there quickly and the work to progress.
- Continue to pray for all those who engaged with services over Holy Week and Easter, especially for the newly-baptised that they may be filled with God's Holy Spirit and protected from the work of the enemy.
- Thank God for all who serve and give in St Gabriel's - be with us all as groups start back and activities return after the Easter holidays. Give us strength in our everyday. 
- Thank God for all those working for good - in small ways and in far-reaching ways. Especially pray for Christian world leaders and others who have the good of their communities and countries at heart. Pray for strength and persistence for all who work for peace, and for success in their endeavours to bring peace to troubled places around the world. Pour calm and wisdom on the negotiations of those in governments seeking to end conflict and fear.
- Thank God for one thing every day!
