**Here are some additional topics for prayer:**

- Thank God for the life of Her Majesty Queen Elizabeth II. For her grace, her stability and her example of faith and service.
- Thank God that he delights for us all to pray – whoever we are. Ask God to teach us, through our Sunday series on prayer, new things about communicating with him – and ask for the help of his Spirit to put into practice what we hear.
- Pray for King Charles III as he embarks on his new role and for all the royal family as they also mourn the loss of a much loved matriarch. 
- Thank God for 125 years of St Gabriel's! If you've been in St Gabriel's for a while now, think back and thank God for people you know who have passed through St Gabriel's and been part of our community. Pray for our 125<sup>th</sup> Anniversary weekend, for God to be glorified through all we do together.
- Pray for Bishop Lusa, joining us, and for those being confirmed, as they take a new step in their journey of faith.
- Thank God for something good that has happened in the world, maybe something in the news. And pray for a situation you've heard about where justice or change is needed.
- Pray for this country and for Parliament, that God will bring about good in the context of all the recent changes, including a new Prime Minister, and in the face of the challenges facing many.
- Pray for the PCC (church council) meeting this week, asking for God's leading and wisdom in all they discuss and decide.
- Thank God for one thing every day!
