## Youth News

There is a pause for Friday Night Youth until February, however the next Sunday youth will be on 28 January so see you then!

## Can you help us?

We have a number of bookings that come up from time to time at the church hall. There is a team of people that help to unlock and lock the hall as well as make sure it is clean and tidy for the next event. We have a growing pool of people that we call upon to help and we are able to pay you to help. It's the ideal role for someone that has the right to work here in the UK but might need some occasional hours to top up their salary or to go alongside study or for someone that is only looking to work a few hours to top up a benefits arrangement. If you are interested, please [contact vishani.rajasekera@st-gabriels.org](mailto:vishani.rajasekera@st-gabriels.org).

## Gerrie Sturgeon Last Sunday at St Gabriel's

We have been very privileged to have the Rev'd Gerrie Sturgeon as a part of our church community over the last three years. Gerrie is licenced to the area as a distinctive deacon and has involvement with a number of churches in the area but lives in the parish and has been particularly involved in preaching, leading services and volunteering at Hope Café. Having now established herself in the area, Gerrie is looking forward to some exciting new projects to fulfil all the plans God has for her going forwards. She will be sharing more about this at both services this Sunday so do join me in passing on our thanks for her ministry among us.
